

**Notice of Intent to Adopt A Negative Declaration and Extended Public  
Comment Period  
For 191 Riverside Land Use and Zoning Amendments  
City of Newport Beach**

Notice is hereby given that the City of Newport Beach has completed a Negative Declaration for a proposed project consisting of applications for a General Plan Amendment (GP2013-002) and Coastal Land Use Plan Amendment (LC2013-003) to change the land use category from Public Facilities (PF) to Mixed-Use Horizontal (MU-H1) and a Zoning Code Amendment (CA2013-007) to change the zoning from Public Facilities (PF) to Mixed-Use Mariners Mile (MU-MM) for a 0.52-acre site located at 191 Riverside Avenue. No demolition or new construction is proposed at this time.

On the basis of the Initial Study, City staff has concluded that the project would not have a significant impact on the environment and has therefore recommended preparation of a Negative Declaration (ND). The ND reflects the independent judgment of City staff and recognizes project features, previous environmental evaluations, and standard construction and engineering practices, requiring review and reevaluation of future projects as contributing to avoidance of potential impacts. The project site does not include any sites on an Environmental Protection Agency hazardous waste site list compiled pursuant to Government Code Section 65962.5.

The ND is available for public review. **The 30-day public review period, which began on January 6, 2014, has been extended and will now end on February 14, 2014.** Copies of the document are available for review at 100 Civic Center Drive, Newport Beach, CA 92660 between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.
